Arrowwood Point Archery Complex

RULES & PROCEDURES

CAPACITY

- The maximum capacity of Arrowwood Point Archery Complex is 20 archers.
- The complex is comprised of 4 elevated range lanes, 12 traditional range lanes and 4 crossbow range lanes.
- One shooter is permitted per lane at a time.

OPERATION

- All Forest Preserve District ordinances, Illinois statutes, and administrative orders apply to the use of this archery complex.
- Archers must display valid permit for use of the archery complex.
- Users must comply with all site-specific rules posted at each respective archery range.
- The designated elevated and traditional archery ranges are for longbows, recurve bows and compound bows. The designated crossbow range is for crossbows only.(Crossbows are not permitted at the elevated or traditional archery ranges.)
- The only allowable arrows are target arrows and field points. **(NO broadheads or razor-tipped arrows are permitted.)**
- Retrieve arrows and targets at the same time as all other archers. Do not cross the shooting line until the range is declared all-clear.
- Any lane may be reserved or closed by the Forest Preserve District at any time, for example, for District programs, maintenance or hazards.
- **Range is closed every Tuesday morning for District Maintenance and Range Safety Checks.**
- Archers must obey hours of operation — sunrise to sunset.
- Arrows left behind on the range will be kept in lost and found quiver. Quiver will be emptied and arrows disposed of every Tuesday.
- Do not move or remove Forest Preserve District targets.
- The Forest Preserve District is not responsible for personal equipment. If you bring personal targets, the District is not liable for damage or theft. Remove and leave with whatever targets you bring.
- Complex is for archery use only.
- No changes may be made to the range without prior approval by the District.

SAFETY

- Engaging in archery activity is at your own risk.
- Know and obey range commands: Ceasefire, Shooters to the Line, Commence Firing, Flight Completed, Resume Firing, etc.
- Always check to make sure the range is clear before shooting.
- Make sure the target is clear before you shoot.
- Shoot only the targets in your lane; never shoot across lanes.
- Know your target and beyond.
- Always point the bow downrange.
- Always point arrows toward the ground or exclusively at the target(s) in your lane.
- Keep your arrows in a quiver until you are ready to shoot.
- Never release an arrow when you cannot see where it will land.
- Never shoot an arrow straight up.
- Always walk on the range; never run.
- Alcoholic beverages are not permitted in the archery complex or forest preserve. Archers must not be under the influence of any liquor, drug or narcotic that causes physical or mental impairment, per the District's *General Use Ordinance*.
- The perimeter of archery ranges are clearly posted with warning signs marked, "DO NOT ENTER." No one is permitted on the ranges except those participating in archery activities; pursuant to the District's *General Use Ordinance*.
