EXPLORE THE FOREST PRESERVES OF KANE COUNTY

District Naturalists will lead your group on a hike, or compliment your campout!

On our informative hikes, a District Naturalist will cover many different aspects of flora and fauna, while helping your scouts work towards their next badge, patch, or pin.
We offer "Into the Wild," "Into the Woods," "Bugs," and "Flowers" badges.

You can choose to do a "Seasonal Topic" hike that focuses on a variety of subjects, such as Spring Wildflowers, Trees and Their Leaves, The Amazing Prairie, and Animal Tracks and Signs. Complete with hands-on, interactive discussion and trail hiking, your scouts are sure to enjoy this excursion into nature!

Programs can be scheduled at any preserve, and can be flexible depending on the needs of your group. All programs are 60-90 minutes long. Reservations are required for these hikes.
There is a minimum $40 charge that covers the first 20 attendees.
For groups of 20-50 people, there is a $60 fee.

For more information, call 630-444-3190 or email programs@kaneforest.com.
